- 8. If you are unable to click Done, please double check the following:
  - a. Make sure your computer is set to today's date and that you enter the license key the same day you generate it.
  - b. If you are running Premium software, be sure you generated a Premium passkey, and if you are running Standard, be sure you generated a Standard passkey.

## **Support**

If at any time you feel you may need assistance with registering your software, e-mail OMAX Technical Support Team at <u>techsupport@omax.com</u> or call 800-298-4036 ext. 1.
